HOLMES JUNIOR COLLEGE

Goodman, Mississippi

Volume XLI 1970

EDITOR: Sandra Campbell

BUSINESS MANAGER: Barbara Sligh

# DEDICATION

Words cannot express the respect and gratitude which we feel toward the one to whom we dedicate this book. Under her leadership McMorrough Library has experienced tremendous growth. Our desire to learn has been vastly broadened because of her untiring efforts and her devoted service. We appreciate her constant endeavor to make known to us the library resources, and we realize the immense amount of work on her part that is necessary to make these resources available to us.

We proudly dedicate the 1970 HORIZONS to one who is herself truly dedicated, Mrs. Mabel Norwood Dorsett.

The 1970 HORIZONS is a tribute to the growth and development of Holmes Junior College. It is impossible to put out a yearbook without reliable sponsors, ever-ready photographers like Mr. Rex Best, Jim Bates, and Martha Nottenkamper, and a cooperative and capable staff. Much gratitude is directed to the HORIZONS advisors, Miss Christine Carithers and Mr. Robert Johnson for their assistance and advice. I would also like to extend thanks to Mrs. Gwin of Goodman, who allowed us to use her home for the setting of many of the pictures in our features section. The '70 HORIZONS has been an attempt to capture cherished moments and fond memories. I hope that in the years to come you will look back at these pages and remember things as they were during your stay at Holmes. I appreciate the opportunity I had to edit the 1970 HORIZONS, and I hope that it will be one of your most prized possessions.

Editor-in-Chief
